Hey Daniel,

Sending it as a PDF is fine. The 5 lab numbers below were sent to Kate and Della:

Della:  
[REDACTED]

2/4/10	6/26/10
12/3/09	6/1/10

Kate:  
[REDACTED]

11/20/09	6/2/10
11/5/09	6/3/10
11/12/09	6/3/10

If one person would like to send all 7 together as a PDF that's fine. I only sent them individually because I wasn't sure which way would be easier for you. I just need the info so I can put it in the file and send it to the defense attorney.

Thanks

Tonya

Hi Tonya. I'd be happy to get a discovery packet together for you on this case. Can you please let me know the other lab numbers and chemists involved so we can coordinate our efforts at the lab? We also now have the capability to send data as a pdf file directly to you if you'd prefer that. Let me know. Thanks!

Hello,

My name is Tonya Platt and I am an ADA in Suffolk county. I have a case where there were 7 different PC buys and the drugs were all submitted at separate times. I am looking for discovery packets for each analysis including all the notes, tests, test results, charts etc that were created relative to each analysis. You are listed as the analyst for 3 of the certifications I have and so I am requesting a packet from you for those cases which are listed below:

Lab #:	Date Received:	Date Analyzed:
[REDACTED]	2/18/10	7/13/10
	2/11/10	7/2/10
	2/11/10	7/6/10

Thanks in advance for your assistance. Please do not hesitate to call me if you have any questions or need additional information. I will have an investigator pick up the packets once I know they are ready. Thanks again

Tonya
